

OMNITRACS REQUEST FORM

Please complete the top section for your request and email the form to ILCAPP@Landstar.com.
Call LCAPP at 800-531-5227, **option 2** after faxing your request to verify it has been received.

All requests require a minimum timeframe of 24 hours with the Omnitrac unit being on and visible to satellite.
Units new to the Landstar account will require a bill of sale to be submitted with the activation request.

Activity and Airtime Charges

The Omnitrac program monthly charges are \$52.00 per month for airtime for an MCP 100 or \$36.25 for an MCP 200.

This charge is not prorated. If your unit is activated or inactivated at anytime during a month, you will be charged in full for the entire month.
