

Pilot Flying J Announces Cost-Plus Pricing In Texas

Effective August 4th, Pilot Flying J is introducing the “better of” Cost-Plus \$0.00 or retail less \$0.05/gallon at all Texas locations. This is a limited time offer but may be extended depending on demand.

Texas Pilot Flying J locations will also offer 1 loyalty point on their myRewards card per gallon purchased along with their “Push4Points” promo which will allow BCOs to earn up to 4 points per gallon with frequent purchases.

All other Pilot Flying J owned and operated locations will continue to offer retail less \$0.25 /gallon plus 10 loyalty points on the myRewards card with their “Push4Points” promo which will allow BCOs to earn up to 13 points per gallon with frequent purchases.

The Push4Points program is set to expire September 30th, 2020.
