

National Thermo King TriPac® APU Program

Landstar BCOs

Thermo King is excited to partner with Landstar BCOs for a **\$350 discount, telematics and additional warranty benefits** with the purchase of a 3rd Generation TriPac APU.

Program Details

- Visit a participating Thermo King dealer for a quote on a diesel TriPac APU
- At the time of quoting, present your unique Landstar truck number and code **LandstarTRIPAC** for all your APU benefits
- You'll receive an **additional \$350 discount** on your equipment purchase as well as an **additional year** of our industry-leading **Bumper-to-Bumper warranty** - a total of 3 years, Bumper-to-Bumper coverage with 180 service locations throughout your journeys!

\$1,500 in Savings. Promotion valid 1/1/2025-12/31/2025. Not to be combined with any other coupons, discounts, offers, or promotions.

TriPac: The APU drivers ask for by name

Providing a best-in-class 13,000 BTUs, and plenty of capacity to power appliances and charge devices, a TriPac APU brings the comforts of home on the road while helping you improve your fleet's profitability in five easy ways.

- 1. FUEL SAVINGS:** A TriPac APU consumes approximately 75% less fuel per hour than idling the tractor engine. That's about 2,500 gallons per year!
- 2. REDUCED ENGINE & AFTER TREATMENT MAINTENANCE:** A TriPac APU eliminates unnecessary engine idling, saving engine wear and reducing maintenance frequency.
- 3. OPTIMIZED PERFORMANCE:** Optimize APU performance and eliminate energy waste with available TrackKing® telematics.
- 4. DRIVER COMFORT:** TriPac's exceptional climate control and industry-leading BTUs provide drivers with the comforts of home while on the road.
- 5. TRACTOR RESALE:** Retain more of your fleet's resale value by offloading valuable engine hours to a TriPac APU. Plus, tractor buyers prize TriPac APUs.
