

All-in-one compliance and safety solution

Stay compliant and get home safe

Simplify Compliance

The Motive Driver App makes compliance easy and reliable

- Manage HOS compliance in the Motive Driver App
- HOS countdown clocks and proactive alerts help keep drivers compliant
- Use built-in workflows to complete critical compliance and daily tasks like inspections, logs, and DVIR's

Protect and Exonerate

Designed to protect drivers on the road

- Use dashcam video to protect against fraudulent claims
- Receive in-cab alerts in your user-friendly driver app
- Tap a button to record dangerous moments instantly
- 1080p HD video
- Backup battery & engine-off recording

Unmatched Customer Experience

Easy to Install

- Plug-n-play hardware
- No installation costs required
- Deploy the ELD and AI Dashcam in under 45 min
- "Bring Your Own Device:" use an approved smartphone or tablet of your choice

Award winning support

- 24/7/365 support (phone, chat, email)
- Available in 5 languages
