

Already using Motive's ELD? Easily add a Motive AI Dashcam.

Protect yourself on the road and drive with peace of mind.

Best-in-class AI Dashcams

Designed to protect drivers on the road

- Use dashcam video to protect against fraudulent claims
- Review in-cab safety alerts in your user-friendly Driver App
- Tap a button to record dangerous moments instantly
- 1080p HD video
- Backup battery & engine-off recording

Protection & Exoneration

Get irrefutable video evidence

Minimize fines and violations

- Real-time in-cab alerts, saving money on tickets and avoiding CSA score impacts

Unmatched Customer Experience

Easy to install

- Plugs directly into the Motive ELD with automatic association
- No costly installation fees
- Self-install in under 20 min
- 24/7/365 support via phone, chat, or email
