

Easily add a standalone Motive AI Dashcam.

Using another compliance solution? No problem. Motive can still help support your safety needs.

Key Benefits

Protection and Exoneration

- Use dashcam video to protect against fraudulent claims

Minimize fines and Violations

- Real-time in-cab alerts help prevent infractions, saving money on tickets and avoiding CSA score impacts

Best-in-class AI Dashcams

Designed to protect drivers on the road

- Review safety alerts in your user friendly Driver App
- Tap a button to record dangerous moments instantly
- 1080p HD video, up to 8 days of recording time
- Backup battery & engine-off recording

Unmatched Customer Experience

Easy to install

- Plug-n-play hardware
- No installation costs required
- Self-install in under 45 min
- 24/7/365 support (phone, chat, email)

Add Motive ELD at anytime

Easily convert to the full Motive platform when ready

- The Standalone AI Dashcam includes the hardware needed to use Motive's ELD, allowing you to easily switch to Motive for HOS.
